MEMORANDUM FOR: Acting Deputy Director for Administration

FROM : F. W. M. Janney
Director of Personnel

SUBJECT : Office of Personnel Report --
Week Ending 12 August 1977 (U)

1. (U) Recruitment of Minorities to Remain Competitive: A talk on maximizing Black potential delivered at the 1976 Annual Conference of the National Consortium for Black Professional Development was recently published and is of particular interest in terms of its forecast for minorities. The report concludes that the world of the 21st Century will be highly competitive, economically and technologically complex, and intellectually challenging as significant breakthroughs occur in the major scientific and professional fields. It forecasts that the outlook for the teaching profession will remain pessimistic. For minorities in engineering fields, there will be a perpetual demand for top students. It is anticipated that the recruitment of minorities will continue to be highly competitive.

2. (U) Recruitment Brochure: An official of the Immigration and Naturalization Service phoned us during the week to discuss our new professional brochure. They are in the process of updating and revising their publications and wanted additional copies. They appeared to be favorably impressed by the Agency's publication. Our recruiters also continue to report that the brochure is in high demand by college placement offices throughout the country.

3. (U/AIUO) Educational Aid Fund: On Thursday, 11 August, there was a special ceremony for six recipients of Educational Aid Fund awards. The ceremony was opened by [REDACTED] Chairman of the EAF Selection Committee, with formal remarks and introduction by Mr. Janney, Chairman of the Board of Trustees. Included among the senior officers
